The other is in the jungle. Some of my students have hands. Others have trunks. Elephants live in Asia. They eat three hundred pounds of food a day. They spray water out of their trunks. Even so, they are a lot like you. They like to eat cookies and hang out with their friends. They even like to paint pictures.

Elephants Can Paint Too! by Katya Arnold - Goodreads
This book shows that people are like animals (specifically animals, too). A teacher successfully teaches elephants to paint. I think this book is good to use to show children that people and animals aren't all that different. The pictures of elephants make the story more real and can help kids gain a better understanding.

But in art class both can express their talent by painting with dots, bright colors and strokes in their own style. Remarkably, the elephant paintings parallel the artwork of the children quite well, including one bouquet that is amazingly realistic. Additionally, Arnold intersperses some interesting facts about the elephant's natural behavior.
